Get On The Wheel of Justice and Your Caught

The Wheel of Justice is working. The weekly TV segment featuring wanted law breakers on WMBB-News13 started last July. **Since then there have been 60 fugitives featured from Bay and Gulf County and 44 arrests. This is a 73% arrest rate.** In some cases, those facing charges didn't want to face the wheel and turned themselves in. This combined effort of Law Enforcement, Crime Stoppers and News13 is getting the attention of the community, as they too get involved to help put criminals behind bars. The Wheel of Justice with Amy Hoyt can be seen every Monday on News13 at Six.

The Panama City Marine Institute is a not for profit organization whose mission is to redirect and motivate at risk youth to accept responsibility for their actions, develop respect for themselves and others, and become productive members of the community. The greatest threat to their survival is funding. PCMI and its affiliates are operating on funding levels established in 1994. Since that time, funding has increased approximately 7% while the costs of providing services have increased by approximately 38%. PCMI's major fund raiser is a 5 hour live TV auction. During the event Crime Stopper cookbooks were auctioned off and they were displayed on the set for the entire event. Norm Gulkis and Jerry Tabatt shown live on TV. Sell Baby Sell!
